

Health & Safety Policy

SECTION A

POLICY STATEMENT

It is our policy to provide and maintain safe and healthy working conditions, equipment and systems of work for all staff, volunteers and service users (in accordance with the Health and Safety at work Act 1974). It is also our responsibility to provide information, instruction, training and supervision as is needed for this purpose.

We also accept our responsibility for the health and safety of other people who may be affected by our activities.

Highfields Community Association actively seeks support from all staff, volunteers and service users whatever their status, in achieving the objectives of this Health and Safety Policy.

The allocation of duties for safety matters and the arrangements for implementation of the Policy are set out in sections B and C of the Policy. The Policy will be kept up to date as required. To ensure this, the Policy and the way in which it is operated, will be reviewed annually.

The Policy is issued to all staff and volunteers

Signed: Priya Thamotheram, Head of Centre

Dated: 24th June 2021

Review Date: 24th June 2022

SECTION B

THE ORGANISATION OF RESPONSIBILITIES FOR IMPLEMENTING THE POLICY

Day to day health and safety responsibilities:

- 1) The Health & Safety Representative is responsible for all day to day health and safety matters relating to the premises at Highfields Centre, 96 Melbourne Road Leicester.
- 2) The Health & Safety Representative is responsible for all day-to-day health and safety matters relating to the premises and is responsible for carrying out workstation risk assessments, copies of which should be forwarded to the Health & Safety Representative as soon as carried out.
- 3) Staff and volunteers working from home are responsible for all day to day health and safety matters relating to their home office and are responsible for carrying out workstation risk assessments, copies of which should be forwarded to the Health & Safety Representative as soon as carried out.
- 4) All staff and volunteers working away from the office - whilst travelling or working away from their designated office will follow this Policy.
- 5) It is the duty of all employees and volunteers while at work:-
 - a) To take responsible care for the health and safety of him/ herself and of other persons who may be affected by his/ her acts or omissions at work, and
 - b) To co-operate with supervisors and managers to achieve a healthy and safe workplace and to report to the appropriate person any health and safety problems which they are unable to resolve themselves, and
 - c) Not to interfere with or misuse any equipment provided in the interests of health, safety and welfare.
- 6) Any abuse of health and safety responsibilities by an employee or volunteer may lead to disciplinary proceedings being taken against him/her.

Monitoring the Health and Safety Policy

- 7) The Highfields Community Association's Governing Body (ie. Directors) are responsible for checking the Policy to ensure continued effectiveness, particularly that:
- a) Health and safety responsibilities are being properly discharged
 - b) Employees and volunteers are working to health and safety rules
 - c) Employees and Volunteers are safety conscious

Health and Safety Budget

- 8) Allocation will be made in the budget for the purpose of health and safety, i.e. safety training as and when required.

SECTION C

ARRANGEMENTS FOR HEALTH AND SAFETY SYSTEMS AND PROCEDURES

General safety and conduct of employees

- 9) Employees and volunteers are reminded of their moral and legal responsibility for conducting themselves in such a manner in their work so as not to expose themselves or others to risk. To this end the Health and Safety Policy is a document that must be read, understood and implemented by all employees. A declaration by the employee must be signed when the Policy has been read and understood. Staff and volunteers must not promote or participate in horseplay, pranks or practical jokes, which may result in an accident or injury.

Accidents

- 10) If an accident occurs, it is the injured person's responsibility to notify either the Qualified First Aider or their Line Manager who will record the accident in the Accident Book. Should the accident be reportable under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995 (RIDDOR), this will be done by the Health & Safety Representative.

First Aid

The First Aid box is situated in Reception/kitchen/office. Appropriate signs are displayed

The Qualified First Aiders are: Pat Gardner, Priya Thamootheram, , Aiyub Zamakda, Fatimah Li and Rafik Abdulla.,

Safety Training

11) All staff are given induction training relating to evacuation procedures, accident procedures and availability of first aid. Other training is carried out by various training providers according to need. Records of all training are kept in the employee's personal file.

Communication

12) All employees and volunteers are encouraged to raise any matter of concern at the staff meetings, but more urgent matters are to be raised with the Health & Safety Representative at any time.

Smoking

13) Smoking is not allowed in any Highfields Centre work area.

Fire Precautions

14) Fire procedures are displayed in the premises. Fire drills are carried out termly. Following evacuation, all staff and volunteers should report to the assembly point, which is outside the Highfields Centre, and by the adjacent parade of shops.. The Project Manager will co-ordinate the fire drills.

The fire alarm/smoke alarm is to be tested weekly by the Health & Safety Representative who also carries out monthly visual checks on all fire extinguishers.

All fire extinguishers are serviced annually by a qualified contractor. All drills checks and annual servicing are recorded in the Fire Log Book maintained by the Health & Safety Representative

Personal Protective Equipment

15) No personal protective equipment is considered necessary following risk assessments having been carried out. However, the Covid-19 pandemic has resulted in all staff being issued with face masks and other associated PPE.

Good Working Practices

16) Good Working Practices including safety precautions to be taken when working alone are set out in Appendix B.

Electrical Safety

17) All portable electrical appliances are checked annually by qualified electrical contractors. The installation is checked every five years in accordance with the Electricity at Work Regulations 1989 and the Institute of Electrical Engineers Wiring Regulations 16th Edition.

Visitors

18) Health and Safety guidance for visitors is displayed in the reception/office.

Vehicle Safety

19) Never drive or operate a vehicle on Highfields Community Association business unless you are authorised to do so and hold the appropriate licence.

Only use vehicles for the purpose for which they are intended.

Manual Handling

22) Highfields Community Association follows the Health and Safety Executive guidelines for lifting e.g. no employee or volunteer is expected to lift over 25kg without assistance. All staff and volunteers who may be involved in physical handling will be trained in the correct procedures to adopt. Training records are available for inspection.

Display Screen Equipment

20) All staff and volunteers have been informed of the various ill health conditions associated with the use of display screen equipment. They have also been trained in the correct use of computers, the positioning of desk, chair monitor etc., to enable them to avoid the various ill health problems. Training records are available for inspection.

Hazardous Substances

21) Only two hazardous substances are used on the premises and use is restricted to the cleaner. The substances have been assessed; copies of the assessments are retained by the Health & Safety Representative and appropriate information supplied to the cleaner.

Risk Assessments

Risk Assessments have been carried out in the following subject areas:-

- a) General risk assessment including fire hazards
- b) Display screen equipment
- c) Hazardous substances
- d) Covid-19

Assessment records are all available for inspection.

Health and Safety Inspections

22) The work area has been assessed as low risk and an inspection will be carried out annually unless circumstances dictate otherwise.

Female Workers of Child Bearing Age

23) Should any person in this category notify Highfields Community Association of pregnancy, a risk assessment will be carried out on her work according to the requirements of the management of Health and Safety at Work Regulations 1999.

Policy Review

24) This Policy will be reviewed and updated following any major changes in procedures, personnel or annually whichever occurs first.

Emergency Procedure

In case of emergency, contact the emergency services by using the telephone in the office or reception by dialling 999 and ask for the appropriate service(s).

In non-emergency situations, contact should be made by telephone to:

any of the following Management Team:
Priya Thamotheram, Pat Gardner, Aiyub Zamakda or Fatimah Li.

Appendix 2

GOOD WORKING PRACTICES

1. All Staff and volunteers will record their arrival and departure in the signing in book, and all visitors must be asked to record their arrival and departure in the Visitors Book, so that at all times the persons on the premises can be ascertained in the event of an emergency.
2. Keep all passageways clear of obstructions
3. Do not obstruct any Fire Exit
4. Keep all electrical leads tidy and ensure that they do not form an obstruction
5. When alone in the office ensure that the entrance door is closed and secure, i.e. that it cannot be opened from outside except by means of a key
6. When alone in the office do not admit any caller who is not known to you or who does not have a prior appointment
7. Staff volunteers travelling to other premises during the normal working day should leave an itinerary in the premises and ensure that others are informed of their whereabouts.

8. When visiting other premises, staff volunteers should where ever possible ensure that all reasonable precautions are taken to avoid risk to their personal safety e.g. they should park in a public area and, if after dark, in a well-lit area as close as possible to the premises to be visited
9. When meetings are held at the premises, the senior member of staff present, or the chairperson of the meeting, must ensure that all visitors are informed of fire escape exits
10. Staff and volunteers should take all reasonable precautions when meeting with unknown persons outside a normal office environment including advising the premises of the circumstances and arranging for a colleague to be in attendance if in any doubt as to her/his safety
11. Employees responsible for booking venues for events must take all reasonable steps to ensure that the premises booked satisfy the Management of Health & Safety Regulations 1992
12. The last person out of the office at any time should observe Last Person Out instructions, a copy of which is appended hereto
